Não dividir inputs

The screenshot shows a mobile application interface for a 'Guest Checkout' form. The form is displayed on a smartphone screen with a keyboard visible at the bottom. The form fields are stacked vertically and are not split across multiple lines. The fields include: a name field containing 'Umair Ahmed', a 'Shipping Address' field, a 'Phone' field, an 'Email' field, and a 'Credit Card Details' field. Below these fields is a checkbox labeled 'Use as billing address' which is checked. At the bottom of the form, there is a summary table of costs. The bottom of the screen shows a standard iOS-style keyboard with a 'Done' button in the top right corner.

The image shows a mobile application interface for a 'Guest Checkout'. The form includes fields for name, address, phone number, email, and credit card details. A green arrow labeled 'Input Mask' points to the credit card number field, which contains the masked number '234 5647 8901 2345'. Another green arrow labeled 'Scan Card' points to the 'Scan Credit Card' button. Below the form, there is a summary of charges and a numeric keypad for entering the PIN.

O número do cartão de crédito é complicado de introduzir num telemóvel.

Se o input apresentar uma “máscara” que indique o formato pretendido pode ajudar.

Mas o melhor mesmo é apontar a câmara para o cartão e preencher automaticamente o campo.

The screenshot shows a mobile application's checkout screen. At the top, there's a back arrow and the title 'Checkout'. Below this, a 'Returning customer?' label is next to a 'SIGN IN' button. The 'Guest Checkout' section contains several input fields: a name field with 'Umair Ahmed', an address field with '712, 2nd Ave, Seattle, WA, 98104' and an optional 'Apt/Bldg' field, a phone field with '(617) 417 - 8313', and an email field with 'umair.ahmed@gmail.com'. There's also a 'Credit Card Details' field. Below these, a checkbox is checked with the text 'Use 712, 2nd Ave, ... as billing address'. At the bottom, a summary table shows the 'Product Total' as \$382.00, 'Shipping' as 'FREE', 'Estimated Tax' as \$32.85, and 'Total Amount Due' as \$414.85. A red 'PLACE ORDER' button is at the very bottom.
